

LICENSES, PERMITS, AND FEES

9.01 INTOXICATING LIQUOR AND FERMENTED MALT BEVERAGES

- (1) **State Statutes Adopted.** The provisions of the Wis. Stats., Chapter 125 relating to the sale of intoxicating liquor and fermented malt beverages, exclusive of any provisions thereof relating to the penalty to be imposed or the punishment for violation of said statutes, are hereby adopted and made a part of this chapter by reference.
- (2) **Licenses When Required.** No person, except as provided by Subsection 9.01(1) above, shall distribute, vend, sell, offer, or keep for sale at retail or wholesale, deal or traffic in, or, for the purpose of evading any law or section, give away any intoxicating liquor or fermented malt beverage, or cause the same to be done, without having procured a license or permit as provided in this Section, nor without complying with all the provisions of this Section and all applicable statutes, ordinances, and regulation of the State and Town.
- (3) **Classes of Licenses.** There shall be the following classes of licenses which, when issued by the Town Clerk under the authority of the Town Board, require payment of a fee. Class "A" fermented malt beverage retailer's license, Class "B" fermented malt beverage retailer's license, Class "A" intoxicating liquor retailer's license, and Class "B" intoxicating liquor retailer's license. Chap. 125 Wis. Stats.

Prorating of Fees. Licenses shall be granted annually and expire on June 30 each year, except when a new license is issued, prorating of the annual license fee is required on the basis of the number of months or fractions thereof remaining in the licensing year. Wis. Stats. Chapter 125.

A six-month Class "B" license may be issued for a period of six (6) months in any calendar year which runs from January 1 to December 31, and is thus different from a license year which runs from July 1 to June 30. The fee for a six-month license is half ($\frac{1}{2}$) of the annual license fee – Wis. Stats., Chapter 125. Such licenses are not renewable during the calendar year in which issued. A six-month license issued from January 1 through June 30 or for the balance of the year would not prohibit the applicant from obtaining an annual license as of July 1 of that same year.

- (c) **Temporary Class "B" retailer's license to sell fermented malt beverages at picnics or gatherings.** The amount of the fee shall be determined by the municipality, but may not exceed the fee established in Wis. Stats., Chapter 125.

to any person who has been convicted of any offense, misdemeanor or felony, relating to the sale of intoxicating liquor or fermented malt beverages, or for sale or delivery of any controlled substance, within the previous five (5) years. No license shall be issued to any person who has been convicted of operating a motor vehicle while under the influence of an intoxicant within the previous two (2) years. No license shall be issued to any person who has been a habitual petty law offender or convicted of a crime under the laws of this State punishable by imprisonment in the state prison unless such person has been pardoned. This paragraph shall not apply to Wisconsin corporations but shall apply to all officers and directors of any such corporation.

As of January 1, 1990, where new application is made for a Class "A" or Class "B" license, or any combination thereof, on behalf of an individual, the individual shall successfully complete the program within sixty (60) days from the filing of the application with the Town Clerk. The same shall be required for each partner of an application filed by a partnership, and for an agent of an application filed by a corporation, and for an agent of a Special Class "B" license.

- 1. A licensee may hold a license until its expiration date or request approval of the Town Board to transfer the license to another qualified location in the municipality. The license may also be surrendered to the Town Clerk. (NOTE: An alcohol beverage license is not "tied" to a particular location. The license is issued to a particular person for a specific premise, but it is the person that holds the license, not the place.)
 - 2. If a licensed premise is leased or sold, the new owner or tenant may receive an available retail license for the premises if, prior to granting the license, control of the premises can be shown by purchase or lease agreement.
 - 3. An agreement between a landowner and tenant regarding the premises is not binding on the Town Board. The Town Board decides whether licenses are granted and to whom they are granted. A landowner or previous licensee cannot force the Town Board to grant a license to the applicant of the landowner's choice or force revocation of the license at a later date.
 - 4. The Town Board requires that no licensee shall close down an establishment for more than ninety (90) days. To do so may result in a revocation or suspension of the license.

They shall make such other investigation as the Town Board or an Administrative Commission shall order to determine whether the application complies with the applicable regulations, orders, and laws, and that the premises are in a proper physical condition and a suitable location. The aforesaid officers shall apprise the Administrative Commission in writing of the information derived from such investigation.
