PRESS RELEASE

CRIME MAPPING

For Immediate Release

April 13, 2011

The Winnebago County Sheriff's Office is now making maps of crimes in its coverage area available online.

The Service, called My Neighborhood Update, posts information on an interactive map. "Pins" are utilized for each incident. Users are able to find out more information about a certain incident by clicking on the pin. Each incident lists information such as the type of call, the general location, and the event number. The user may view the map in street view if they wish as well. Users may sign up for e-mail alerts based on their particular interests. The website also provides charts and graphs of activity shown on the map.

The crime mapping website can be reached by either going to the Winnebago County Sheriff's Office Website <http://www.co.winnebago.wi.us/sheriff> or by going directly to <http://www.myneighborhoodupdate.net/>.

For more information contact Deputy Erica Geschrei Monday through Friday 8:00 a.m. – 4:00 p.m. at 920-236-7309 or egeschrei@co.winnebago.wi.us.
