RE: 2022 Winnebago County Per Capita Funding Program

The Winnebago County Industrial Development Board (IDB) administers an annual Per Capita Economic Development Funding Program. The purpose of the program is to help promote economic development efforts at the local level for the purpose of creating job opportunities and expanding the tax base in your community and Winnebago County in general.

The attached table shows the 2022 funding allocations for communities in Winnebago County based on 2021 DOA population estimates. Grants will be awarded based on \$1.113 per capita. Also, attached are the Per Capita Funding Policies and Procedures adopted by the IDB. Please review the policies to help your community decide whether to apply for funds or to allocate your funds to another community or economic development entity.

Please fill out the attached **Statement of Intent** and return to: Jerry L. Bougie
Winnebago County Planning Dept.
P.O. Box 2808
Oshkosh WI 54903-2808
Email: jbougie@co.winnebago.wi.us

The deadline to return the Statement of Intent is Friday, December 17, 2021.

If your community intends to be a recipient of funds for 2022, a follow up mailing will be sent out in early January requesting a written plan indicating your community/organization's proposed use of these funds. Included will be a list of communities, if any, that have agreed to commit their funding shares to your community/organization for 2022.

If you have any questions, please contact Jerry Bougie at 232-3339 or 727-2880, ext. 3339 or e-mail at jbougie@co.winnebago.wi.us. Thank you.

Sincerely,

MEMORANDUM

TO: Town Board

FROM: Ellen Skerke, Administrator-Clerk-Treasurer

DATE: December 11, 2021

Memo: Audit of Posted Speed Limits

As part of the process to review speed limits on Town of Neenah roads, Roads Superintendent Glenn Armstrong completed a physical audit of all posted speed limits on Town roads. He completed this audit in November 2021 and made notations of each physical speed limit sign on Town Roads. The results of the audit are attached. Note, this physical audit did not include county roads or private roads.

Town of Neenah Municipal Code 4.02(1) SPEED ZONES: Contingent upon the erection of proper signing, the maximum permissible speed at which vehicles may be operated on the various Town of Neenah streets is twenty-five (25) miles per hour, except as noted in Chapter 4, Appendix I.

I believe the intent of the code is to set speed limits on all Town roads at 25 mph unless otherwise posted, however the language as written indicates it is upon the erection of proper signing. We will review this language in our Ordinance Workshops to ensure the code is worded correctly. Chapter 4, Appendix I is also attached to this memo for your reference.

Glenn Armstrong will update the Town Board at the December 13, 2021 Town Board meeting and make his recommendations for potential speed studies on specific roads.
