

Three Candidates for Town Board Supervisor

The Town of Neenah has three candidates on the Spring ballot vying for two Town Board Supervisor positions.

In December of 2021, Supervisor Glenn Armstrong announced that he would not run for another term as Town Board Supervisor, leaving a vacancy on the Spring 2022 Ballot. Incumbent James Weiss is running for reelection, and David Bluma and Andrea Long are running for their first term on the Town Board of Supervisors.

Andrea Long and her fiancé, Andrew, enjoy living out the Town of Neenah slogan "Urban Living in a Rural setting." Woods to the east, neighbors to the north & south, and just beyond the equestrian pasture you can see the Valley VNA; the sunsets are outstanding. Could not ask for a better place to raise four boys: Theodore (9), Franklin (7), Morris (6) and George (1). Andrea is the office manager at Our Savior's Lutheran Church on Commercial Street, where she enjoys the all-encompassing aspect of community and service. Prior to working at Our Savior's, she worked at Green Bay Packaging as the project administrator for the construction of their new, state of the art, recycled fiber paper mill.

With a Liberal Arts degree and two certificates (Women & Gender Studies and Global Studies) from Madison College and a bachelors from UW Green Bay due this spring, Andrea awaits response from admissions UW Oshkosh for their MPA program. Andrea is enthusiastic about the Town Supervisor opportunity to use her education, experience, passions, and knowledge for the benefit of our community.

Andrea Long

David Bluma has been a Town resident since 2010 when he moved to the Whitetail Run subdivision. He became involved in his community by volunteering to serve on the neighborhood HOA board and has been an HOA Board member since shortly after its inception, currently holding the position of Board President. "Being on the HOA board has given me many opportunities for interaction with the Town," says David. David began attending Town Board meetings to increase his knowledge of the workings of the Town. David was appointed to the Parks and Trails Committee in 2012 and became Chair of the Committee in 2017. The Committee has worked hard to improve our parks without raising the annual budget for a number of years. He became the Weed Commissioner in 2016 and a volunteer poll worker in 2018. David has been with his current employer for 30 years where he leads a team that schedules orders with a goal of improving throughput and reducing costs. Previously he was in the restaurant business for 25 years which lead him to a role of partner and manager, in charge of all aspects of the business, giving him a strong background in spending wisely and controlling costs; skills that can be applied to the Supervisor position. David stated he is running for Town Supervisor because he has a desire to give back to the community in which he lives. In addition, he wishes to be a part of helping to preserve our environment for future generations.

2022...How Do You Do!... What changes, additions, and town planning is forthcoming for you here in the Town of Neenah ?

One significant change will be in our town government board of supervisors. Glenn Armstrong has announced that after many, many years of exemplary service to the Town of Neenah, both as a volunteer fireman and Town Board Supervisor, he is stepping down and retiring. Job well done Glenn.

I would be amiss not to mention and recognize another honorable person who has served local City of Neenah government admirably, Mayor Dean Kaufert. As you know, after 8 years, he is stepping down and not running for reelection. Dean, enjoy retirement with family and friends.

An addition/donation to the Town of Neenah was made by James Keating and his family. Jim on January 25th signed over to the Town two parcels of land, totaling 10 acres, for the creation of a nature preserve for passive recreational uses by the general public including non-motorized vehicles (excluding horses) and to be named "Keating Nature Preserve". Thanks to Jim and his family.

You may have already met another welcomed addition new hire to the Town, Vicki Boushele started as Deputy Clerk-Treasurer for the Town of Neenah on December 6th 2021. Vicki's business background and pleasant personality has melded into our town office perfectly. Welcome Vicki.

Planning for future events and projects is always challenging and exciting at the same time. So it is for the Town's efforts in improving town roads. We have done our due diligence in securing Winnebago County Local Road Improvement Program (LRIP) funding of \$ 33,585, however that is a drop in the bucket of need. We are in the process of making grant applications for Federal and State road infrastructure funds. The latest program is the WisDot Federal Bipartisan Infrastructure Bill Funding. While the exact amount of funding is yet unknown, estimates show the opportunities and funding dollars will be significant. There are two timelines for solicitation. January and February 2022. At this writing, we are completing the February application due June 1st. Application processing and selection will occur in June and July. Albeit the Town always has several road improvement projects, our priority is a Larson Road and Oakridge Road program. "Fingers Crossed...Think Green"

"Green ya Say"..... which leads right into my early Fun Fact for 2022: Did you know that the color for year 2022 is in fact GREEN! An almost minty teal green, "Breezeway Green" is a cool, bright and cheerful tone. The real 2022 Color of the Year is green! Wow ..Who know..Let's all think GREEN !! Have a Great Spring

Three Candidates Running for Town Board Supervisor

Continued from Page 1

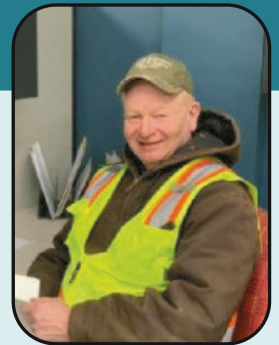

James Weiss

Incumbent Town of Neenah Supervisor Jim Weiss is running for reelection to the Town Board of Supervisors. Supervisor Jim Weiss has been a Town of Neenah resident for more than 25 years. He has a keen interest in promoting a healthy, safe and sustainable Town of Neenah. Jim has been involved in sales, marketing and corporate training during his career. He currently is a delivery driver for Bergstrom Automotive. Jim and wife Margie have 4 children and 12 grandchildren who all reside in the Fox Valley area. Jim's son Dave lives in the town and is a volunteer fireman for the Town of Neenah.

Jim is involved in numerous organizations including St. Margaret Mary parish and the Neenah Menasha YMCA.

GLENN ARMSTRONG RETIRING FROM TOWN BOARD

Supervisor Glenn Armstrong announced in December 2021 that he would not be a candidate for another term in the April 2022 election. He has served a total of 20 years on the Town Board, along with many other positions in the Town. Glenn has decided it is time to take a break from elected office. On April 19, 2022, Glenn will pass the torch to a newly elected Town Board Supervisor at the Annual Town Meeting. You will continue to see Glenn around town as he continues to serve the Town as Road and Storm Water Superintendent.

FLUSHABLE WIPES – ARE THEY REALLY FLUSHABLE?

If the label on your carton of wipes says "flushable," then wet wipes should be able to go down the toilet, right?

Unfortunately, the answer is NO! Flushable wipes are not as flushable as advertised. But people are flushing wipes down toilets—and this is causing problems.

Toilet paper is designed to disintegrate in our pipes and sewage systems, but flushable wipes are not. They're typically made with synthetic materials, plastics or polyester, that won't break down. So even if they flush down your toilet, they end up clogging our sewers. This poses hazardous risks to sewage professionals that must break these clogs up as well as considerable costs for damages to equipment and cost to clear the pipes.

While flushable wipes pose a problem for the Sanitary District and the treatment plant, property owners are not exempt from the problems, these wipes could clog your plumbing and cause a back up in your system. You could face a bill of thousands of dollars for repairs to your plumbing system after flushing these so-called "flushable" wipes!

IN MEMORY OF CARIITA WILLIAMS

Carita Williams
1933-2022

Carita C Williams, age 88 passed away on Monday February 28, 2022. Carita spent 51 years as an elected and appointed Town of Neenah official. She began her career with the Town of Neenah in 1957 as Deputy Treasurer, working alongside her husband Bob who was the Treasurer.

Deputy Clerk was then added to her title. In 1969, Carita took over as Town Clerk when Dick Roudebush passed away. In those days, the Clerk and Treasurer positions were separate, elected positions. Carita ran for re-election every two years, and was proud to point out that she never had an opponent!

In 1997, after Carita's husband Bob died, the Town combined the offices of Clerk and Treasurer and turned it into an appointed position rather than an elected one. The Town Board appointed Carita as the Town's first Clerk-Treasurer, she served in that capacity until her retirement at the end of 2008.

The Williams' home served as the Town office from the time her husband Bob became Treasurer in 1957 until office space was added to the Town Hall on Breezewood Lane in 2007. Lakeview Elementary School served as the location for Town meetings and Elections. Many long-time Town residents remember going to Carita's house to pay their property taxes. Carita always welcomed them, inviting them in to join her at the kitchen table where she had a tray of cookies and a pot of hot coffee.

advise the Town Board .

The Annual Meeting is the peoples meeting. This is your chance to let your voice be heard. All are welcome and encouraged to attend.

The agenda for the Annual Meeting will include items to swear in the two recently elected Town Board Supervisors and presentation of the 2021 Financial Report. The rest of the agenda is for you, the people for input and discussion.

Visit the Town of Neenah website under Government for additional information about the Annual Meeting. The meeting will be offered in a hybrid fashion, both in person and virtually. A link to the Zoom meeting is posted on the website on the calendar on April 19, 2022.
