

CHAIRMAN'S CHATTER

"Man-O-Man" does 2022 have wings. Although spring was an on again off again series of temperature ups and downs, which delayed the annual Lake Fly Mother's Day arrival and Memorial Day and Fourth of July have come and gone, I hope you are all enjoying your summer.

Given all of the recent world and national events, we need to take time to reflect on the meaning of our Freedom. A quote by President Ronald Reagan comes to mind and I believe espoused that definition. He said quote; "Freedom is never more than one generation away from extinction. We did not pass it on to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men and women were free" unquote. Memorial Day is about honoring the men and women of all ethnicities who died in America's wars or serving our country in other ways.

At this date in 2022, the Town of Neenah has been fortunate to receive funding for road improvements for Wooden Shoe Rd from CTH G to Breezewood Ln from the Local Roads Improvement program (LRIP) State Municipal Project Agreement of \$33,575.00 and for Larsen Rd from Clayton Ave to CTH CB from the 2022-23 Town Road Improvement Supplemental (TRIS) reimbursement program. The TRIS project is estimated at \$3,133,500.00 and the Town will be reimbursed up to \$2,174,649.00. A huge credit in successfully putting the TRIS grant application together goes to our Administrator-Clerk-Treasurer Ellen Skerke. "Thank You Ellen"!

Speaking of roads and welcomed nice weather, we all need to think about the safety of town residents who take walks and ride bicycles on our roads. To be safe while enjoying the benefits of walking remember these two things: The first is to walk facing traffic. You need to see what's approaching in order to avoid serious injury. Second, PLEASE, PLEASE, PLEASE, wear reflective clothing when walking especially at dusk or night fall. 70% of all pedestrian fatalities happen at night. It comes down to reaction time and drivers can't react if they don't see you. At night carry a flash light or wear a headlamp. And for you wonderful dog walkers, keep your dog on a short leash so the dog doesn't dart out unexpectedly into traffic.

Here's an idea; take a walk in one of our great parks. All of them have wonderful site amenities especially Conservancy Park at the corner of South Park Ave and CTH A. The paved walkway is adjacent to a stormwater pond and winds through a delightful native wildflower prairie planting that will enlighten your walk of little over 1/3 of a mile. Riding a bike is also great exercise however here too please wear reflective clothing even during daylight hours and always have a front and back light on your bike.

Robert Schmeichel
Chairman

IMPROVE OUR LOCAL WATER QUALITY

Phosphorus from Lawncare Impacts Local Water Quality

The nutrient phosphorus is essential for all living organisms and naturally occurs in the environment. Because of this, it might not be the first thing that comes to mind when you think of pollution. However, too much phosphorus in Wisconsin water bodies can cause environmental, economic, and public health issues.

What's the big deal?

When excess phosphorus enters an aquatic system, what often follows is more plant and algal growth than the system can handle. Large, dense populations of aquatic plants and algae can inhibit water recreation and shade out other important plants, reducing biodiversity. When these plant materials die later in the year, the decomposition process consumes dissolved oxygen which causes illness or death of fish and other aquatic animals. Algal blooms – specifically blue-green algae – can be hazardous to human health as well. Blue-green algae produce toxins that can cause illness in humans and pets when exposed through physical contact, ingestion, consumption of affected fish, and inhalation.

Blue-green algae fouls a shoreline.

According to the Wisconsin Department of Tourism's 2020 Outdoor Economy Report, outdoor tourism contributes \$7.8 billion to Wisconsin GDP. With water recreation constituting a huge portion of that, healthy aquatic ecosystems are important. Nutrient pollution is a killer for Wisconsin's economy.

Where is all the phosphorus coming from?

One of the main sources of phosphorus in lakes and rivers comes from urban stormwater; primarily lawn fertilizer, leaf litter, and grass clippings. When these substances are left on impermeable surfaces like roads and sidewalks, they are swept away with rainwater and carried into storm drains and ditches. Water that goes into stormwater systems is discharged into local lakes and rivers. But protecting our local waters doesn't mean sacrificing a beautiful outdoor space.

Tips for a healthier lawn *and* local waterways this summer:

1. **Mow often** – Taller grass has deeper roots that prevent soil loss and help rain soak in. Cut no more than 1/3 the length of the grass each time you mow.
2. **Don't bag** – Leave clippings on your lawn to keep soil moist and return nutrients over time, use clippings as garden mulch, or compost them instead.
3. **Sweep it up** – If clippings get in the street or on sidewalks, sweep them back onto your lawn so they don't get washed into the storm drain when it rains.
4. **Fertilize right** – Chemicals are not necessary for a healthy lawn. But if you must fertilize, think before you buy. Get a soil test to know how much nutrients your lawn really needs. Fertilize in fall, and sweep up any fertilizer that falls on the street or sidewalks to dispose of properly.

Information provided by Fox Wolf Watershed Alliance

(Continued from Page 1)

Your Town Board of Supervisors have been completing a long overdue task of going through the entire Town of Neenah's Municipal Code ordinance book. We have spent many workshop hours reviewing and updating content of each and every ordinance to be accurate and current to today's needs and legal requirements and converting it to electronic formatting (ECode). At completion, a draft of the revised town municipal code will be available for review and comment. A public hearing will be noticed before board adoption.

Following up on existing nuisance ordinances the town has been successful in aggressively cleaning up several residential sites that have been legally declared "nuisances sites". The municipal code states; "No person shall erect, contrive, cause, continue, maintain, or permit to exist any public nuisance within the Town of Neenah". Please let us all be respectful of each other and the wonderful town in which we live. Be proud of our town and our surroundings.

And now for some Light Hearted Fun Facts:

The March equinox occurred on Sunday, March 20, 2022. In the Northern Hemisphere, this is known as the vernal, or spring, equinox and marks the start of the spring season. In the Southern Hemisphere, autumn begins. At this time, the Sun crosses the celestial equator on its way north. (I'm guess Mother Nature got a bit confused this year)

And did you know that the "Lucky Colors for 2022 are: Orange, Black, and Blue !

Now some of you may think my Fun Facts are "for the birds" but did you know The Northern Cardinal is the most popular state bird. Illinois, Indiana, Kentucky, North Carolina, Ohio, Virginia and West Virginia all picked it as their favorite species. The western meadowlark takes second place as the honoree in six other states. Wisconsin, Michigan, and Connecticut have Robins.

Have a Great Summer and Be Safe Out There !

Bob Schmeichel

ELECTION INFORMATION

Partisan Primary Election – August 9, 2022

Polls open from 7:00 a.m. to 8:00 p.m.

Polling Location: 1600 Breezewood Lane, Neenah

In the partisan primary, voters select a candidate to be a political party's nominee for a given office in the corresponding general election. In the August Primary, each political party narrows down its candidates for the November ballot. For this election, you may vote for candidates in only one political party of your choice. Your voter registration is not associated with a political party. You may vote in only ONE Party's primary. The Clerk's Office does not know which party you choose.

Positions on the August Partisan Primary include Governor, Lieutenant Governor, Attorney General, Secretary of State, State Treasurer, United States Senator, Representative in Congress District 6, State Senator District 19, Representative to the Assembly District 55, Sheriff and Clerk of Circuit Court.

Sample Ballots are posted on the Town website, at the Clerk's Office and the posting board at the Town Hall. You may also See What's On Your Ballot at myvote.wi.gov

Absentee Voting

If you plan to vote by absentee ballot, visit myvote.wi.gov to request your absentee ballot. It is recommended that you request your ballot early and return your ballot quickly after receiving it. Absentee ballots must be received in the Clerk's Office by 8:00 p.m. on Election Day.

You may return your Absentee ballot in one of two ways:

- **Mail:** Return postage is provided with your Absentee ballot. USPS recommends mailing at least one week prior to Election day.
- **In-Person:** The person who voted the Absentee Ballot, may return it directly to the Clerk's office during regular office hours. Ballot drop boxes are not allowed at this time.

When returning your absentee ballot, your certificate envelope must include:

- Voter Signature
- Witness Signature and Witness Address

If any of these three items are missing, the ballot will not be counted. Anyone can be your witness: spouse, neighbor, friend, etc. as long as the witness is 18 years of age.

In-Person Absentee ballot requests can be made during regular office hours from July 26, 2022 to August 5, 2022. Check the Town website for additional hours for absentee voting.

MyVote.WI.GOV

Visit myvote.wi.gov to register to vote, see what is on your ballot, request an absentee ballot and view the status of your absentee ballot. Redistricting was completed in 2021, resulting in 5 Wards in the Town of Neenah. All Wards vote at the Town Hall. Ward maps can be found on the Winnebago County and Town of Neenah websites.

Contact the Clerk's office with any questions regarding elections. ellen@townofneenah.com or 920-725-0916.

Election Deadlines and Dates

- ◆ **6/23/2022**—Clerk's Office sends out ballots to those that have an absentee application on file.
- ◆ **7/20/2022**—Deadline to register to vote by mail or online, after this date, voters must come to the Clerk's Office to register to vote or register on Election Day
- ◆ **8/4/2022** – Deadline to request an absentee ballot in the mail. You are strongly encouraged to make your request in advance of this deadline to to provide time to receive and return your Absentee Ballot .
- ◆ **8/5/2022** – Deadline to register to vote in the Clerks' office, after this date, voters must register at the polls on election day.
- ◆ **8/9/2022**—Election Day

Parks and Trails

Summer weather is here and it is time to get out of the house and visit all of the great Town of Neenah Parks and Trails! We would like to highlight one of our more quiet neighborhood parks. Keating Park is located off of Klompen Court near the Town Hall. It features a little league diamond, playground, walking path, and nature trail. The Town maintains a portable restroom during the summer season.

This is a great park to consider for a personal or business legacy financial donation. Desired park donations include: Park Bench, trees, paving the path between Klompen and Woodside Court, or the potential to build a permanent restroom facility.

Personal or Corporate donations:

<http://townofneenah.com/wp-content/uploads/2020/12/General-Donation-Fillable-Form.pdf>

Take a moment to pack a picnic lunch and enjoy this hidden gem in our park system!

Tom Jankowski – Parks and Trails Committee Chair

Parks and Trails Committee Looking for New Members

Are you passionate about parks, recreation and athletics, and have time and willingness to serve your community? The Town has openings on the Parks and Trails Committee, which meets on the first Monday of each month April—October at 6:00 pm. Contact Ellen at the Town Office 920-725-0916.

McMahon partners with local communities, but more importantly, we live here and carry a sense of social responsibility to help the communities we live in, thrive.

FIRE DEPARTMENT

Rolling Parade

SAVE THE DATE

Town of Neenah Fire Department will be rolling through Town neighborhoods for community outreach. Come out to see our fleet of tricks and fire crews. Fire Fighters will be handing out frozen treats along the routes

Wednesday August 10th—East side of Hwy 41

Thursday August 11th – west side of Hwy 41

Visit us on Facebook at Town of Neenah Fire Department for the nightly route.

Fire Safety, please remember these rules as you burn in your yard,

- * A fire must be attended until it is extinguished,
- * No person shall set a fire which causes smoke which creates a public nuisance or causes diminished visibility for motor vehicle traffic on nearby roads.
- * No person shall burn rubber, plastic or other petroleum based materials
- * Be aware of the weather conditions, do not burn if any town, state county or other governmental authority has designated “no burning ” period.

ED KING RETIRES AS FIRE CHIEF

Please join us in congratulating Fire Chief Ed King on his retirement after 30+ years of service to the Town of Neenah. Ed King served as Fire Fighter, First Responder and Fire Chief. Ed King joined the Town of Neenah Fire Department in July of 1991, was appointed as Fire Chief in September 2001, eventually retiring in March 2022.

On his application in 1991, he wrote “I feel that by joining the Department, I can be of service to the community I live in.” Chief King can be proud to say that he fulfilled this goal.

In his tenure as a Fire Fighter, First Responder and Fire Chief, Ed spent countless hours in a classroom learning and training on all aspects of fire fighting, fire safety, first responder training and how to respond to an emergency in a variety of situations. Chief King eventually became the instructor both for our own and for the community at large as an adjunct instructor at Fox Valley Technical College.

Ed was instrumental in ensuring the Town Fire Department was properly equipped and staffed to meet the needs of our community in the event of an emergency.

Ed made many contributions to the Town of Neenah in other ways including serving on the building committee to help plan and execute the construction of the new Town Hall in 1994 and the addition in 2008.

Ed ~ Congratulations on your retirement and Thank you for your service to the Town of Neenah Community.

Ed King

CLERK'S CORNER

Ellen Skerke

The following is a summary of Town Board action taken during Town Board Meetings over the past few months .

- Accepted Retirement of Fire Chief Ed King effective March 7, 2022.
- Accepted Liberty Mutual Surety from Vertical Bridge Cell Tower.
- Approved Resolution 2022-03 Town Action for Variance, Applicant: Town of Neenah
- Location of Premises Affected: 1650 S. Park Ave (in road right-of-way), Neenah WI 54956. Applicant is requesting a variance for a sub standard shoreyard and road setback separation requirement
- Approved Renewal of Harter's Fox Valley Disposal Contract January 1, 2023 – December 31, 2027
- Appointed Chad Dolphin as Fire Chief to fill the remaining term of Fire Chief position vacated by the retirement of Ed King. Effective April 11, 2022, expiring December 31, 2023.
- Approved Resolution 2022-04 Resolution in Support of Claiming Standard Allowance for Lost Revenue related to American Rescue Plan Act Funds.
- Approved Application for Temporary Class "B" / "Class

B" Retailer's License for Future Neenah, Inc. Farm to Table Sunset Dinner August 18, 2022.

- Approved Resolution 2022-05 A Resolution Adopting the Winnebago County Natural Hazards Mitigation Plan: 2022-2026 (5-Year Update)
- Appointed Joshua Lautenschlager and Russell Meerdink as Alternate Plan Commissioners for three-year terms effective May 1, 2022 and expiring April 30, 2025
- Appointed Tony Stanton and Aaron Zemlock as Parks and Trails Committee Members for three-year terms effective May 1, 2022 and expiring April 30, 2025
- Appointed David Bluma as Weed Commissioner for a one-year term effective May 1, 2022 and expiring April 30, 2023.
- Appointed Tom Wilde to the Fox Cities Room Tax Commission for a one-year term beginning in June 2022 and expiring in May 2023.
- Approved Resolution 2022-06 A Resolution in Support of the National Association of Counties (NACo) Position on Defining the Waters of the United States (WOTUS) and Regulations with Agricultural Considerations.

Have questions about a building permit? Visit Town of Neenah website under Departments, Building Inspector and Winnebago County Zoning : <https://www.co.winnebago.wi.us/planning-and-zoning>.

There is still plenty of time to enjoy the warm weather, beautiful outdoors and enjoy the 100+ miles of trails, countless parks and green spaces and numerous public nature preserves in the Fox Cities. For a comprehensive map of all trails in the Fox Cities Visit Fox Cities Greenways website at <https://www.foxcitiesgreenways.org/mapping> and for additional information about the many things to do and see in the area visit Fox Cities Greater Appleton Area website at <https://www.foxcities.org/blog/take-to-the-trails-fox-cities/>

Bicycling is a great way to get exercise, see some beautiful sights and reduce your carbon footprint. However, bicyclists face a host of hazards. These risks are amplified when bicyclists are not riding safely. Bicyclists must follow the same rule as motorists. When riding be sure to ride in a single file line in the direction of traffic. In order to remain alert while biking, limit your distractions. Keep your head up, look around and listen. Watch for cars merging or turning in front of you and listen for car horns. When turning, use hand signals and use extra care at intersections. Before entering traffic, stop, look left, look right look left again and over your shoulder. Finally, whenever riding, always wear your helmet. It is also a good idea to wear neon reflective safety clothing

Bicyclists always do an equipment inspection. Make sure the seat is adjusted to the proper height and locked in place. Make certain that all parts such as brakes and gears are working properly and be sure parts such as handlebars and pedals are secure. Ensure your tires are inflated properly and double check that your bicycle is equipped with reflectors. If you plan to ride at dusk, dawn or night, be sure that your bicycle is equipped with a white light in front and a red light in the back.

TOWN OF NEENAH RECYLES

In 1993, the Winnebago County Solid Waste Management Board (WCSWMB) developed an agreement allowing signing municipalities to pledge recycling tonnages to support the County's efforts to recover and process recyclables. All of the recyclable material that we place in our Harter's bins with the yellow lids is collected, sorted, baled and sold on commodity markets to use as feedstock materials for manufacturing new products. Over the years, demand for recycled material has increased significantly. According to WCSWMB, in 2017, market value was \$89/ton raising to \$146/ton in 2021. In 2021, WCSWMB's budget was \$485,500. Revenue from signing municipalities was \$676,925 resulting in a surplus of \$353,900 that will be distributed back to the municipalities based on their recycled tonnage. What does that mean for the Town of Neenah? In 2021, the Town recycled 392.66 tons of material. With a 3.21% refund, \$11,365.98 will be distributed back to the Town of Neenah. See how the Town's recycled tonnage compared to surrounding municipalities:

2021 Surplus Commodity Revenue Distribution Based on Tonnage

Municipality	2021 SSR Tonnage	% of Refund	\$ Refund
Town of Algoma	592.77	4.85%	\$ 17,158.38
Town of Black Wolf	218.55	1.79%	\$ 6,326.17
Town of Clayton	470.09	3.84%	\$ 13,607.27
Village of Fox Crossing	1,329.08	10.87%	\$ 38,471.69
Town of Neenah	392.66	3.21%	\$ 11,365.98
Town of Nekimi	134.29	1.10%	\$ 3,887.17
Town of Omro	130.57	1.07%	\$ 3,779.49
Town of Vinland	213.52	1.75%	\$ 6,180.57
Town of Winchester	192.76	1.58%	\$ 5,579.65
Town of Winneconne	271.07	2.22%	\$ 7,846.42
Town of Wolf River	64.22	0.53%	\$ 1,858.92
Village of Winneconne	212.06	1.73%	\$ 6,138.31
City of Menasha	1,480.74	12.11%	\$ 42,861.66
City of Neenah	2,065.89	16.90%	\$ 59,799.47
City of Omro	263.94	2.16%	\$ 7,640.03
City of Oshkosh	4,193.96	34.30%	\$ 121,398.81
Total Tonnage	12,226.17	100.00%	\$ 353,900.00
Total Refund			\$ 353,900.00

So what types of material can be recycled? Our friends at Winnebago County Solid Waste post some helpful tips on their Facebook page. Be sure to like their page or visit www.winnebago-county-solid-waste.com.

Plastic

YES

Household bottles, jars & jugs

Diary containers and lids

Produce, bakery and deli containers & lids

NO

Plastic bags, wraps and films

Motor oil bottles

Styrofoam

Paper

YES

Cardboard and paperboard (food boxes)

Newspapers and inserts

Office and school paper

Envelopes, junk mail and catalogs

Books and magazines

Milk, juice and soup cartons

NO

Shredded paper

Tissue paper

Pet food bags

NO

Propane tanks

Aluminum pans and foil

Empty paint cans

Scrap metal

Metal cookware

Metal

YES

Aluminum bottles and cans

Steel and tin cans

NO

Mirrors

Window glass

Ceramics and china

Drinking glassware

Glass

YES

Food and beverage bottles and jars

Other helpful hints:

Plastic bottle caps should be put back on their bottles or thrown away in the trash.

Loose caps contaminate the glass recycling.

Aerosol cans can no longer be recycled in the Winnebago County system but can be taken to metal scrap drop off for proper recycling.

Plastic plant pots can not be recycled. They are often made of the same type of plastic that makes Styrofoam.

Do not recycle cords, hoses, ropes, tarps or other material that can tangle in the recycling equipment.

Plastic popsicle wrappers, clear plastic drink containers, candy wrappers, juice pouches are not recyclable.

Do not bag your recyclables. If material is in bags, it will be pulled out and put in the trash. Recycle items by putting them loose in your recycle bin.

- Approved Resolution 2022-07 A Resolution to install temporary 3-Way stop signs at the intersection of Tullar Road and Oakridge Road due to the detour caused by County Highway CB and County Highway JJ roundabout construction.
- Appointed Emily Anderson to the Communications Committee for a three-year term effective May 1, 2022 – April 30, 2025.
- Reappointed Ellen Skerke as Administrator-Clerk-Treasurer for a three-year term effective June 11, 2022 – June 10, 2025.
- Approved Resolution 2022-08 Resolution Designating Prospera Credit Union as a Public Depository.
- Approved General Insurance Policy Renewal cost = \$21,678
- Approved Operators Licenses for Stephanie Bloomfield, Andrew Schneider and Dallas Tidwell
- Approved Ordinance 2022-01 to establish the official posting locations for Town of Neenah notices at the Town Hall located at 1600 Breezewood Lane and the Town of Neenah website townofneenah.com
- Approved Amended and Restated Intergovernmental Agreement Among the City of Neenah, the Town of Neenah, and the Town of Neenah Sanitary District #2 to Provide for Orderly Growth and Development within Agreed -Upon Municipal Boundaries.
- Approve Neenah Area Wastewater Agreement.
- Approve Intergovernmental Cooperative Agreement to Satisfy Eligibility for the Wisconsin Recycling Consolidation Grant for Calendar Year 2023.
- Approve Liquor License Applications effective July 1, 2022 – June 30, 2023 for:
- “Class A” license for Chukku LLC, 1720 North Street, Neenah, WI 54956.
- “Class B” license for Green Valley Foods, LLC operating as “Peppermint Hippo”, 1413 Green Valley Road, Neenah, WI 54956.
- Approve Application for Cigarette and Tobacco Products Retail License effective July 1, 2021 – June 30, 2022 for Chukka LLC, 1720 North Street, Neenah, WI 54956

Town Board meetings are held in person and offered virtually through Zoom on the second and fourth Monday of each month beginning at 7:00 pm. The Agenda and Zoom links are posted on the Town Website under Calendar of Events.

• **2022 RECYCLING CALENDAR MAGNETS** are available in the Town Office.

• **YARD SIGNS:** Yard signs are NOT permitted in any Town Road right-of-way, including advertisements and political signs.

• **PETS IN TOWN PARKS:** No animals or pets other than leashed dogs are allowed in Town parks. Dogs owners are required to immediately pick up and dispose of excrement on Town park property or adjacent to Town park property.

• **ROAD RIGHT-OF-WAY WORK:** Work in the Town road right-of-way (other than mowing) must be permitted through the Clerk's office prior to any work being performed.

• **BURNING:** Remember burning is permitted in the Town as set forth in Ordinance 5.05. Be respectful of your neighbors when burning. Contact Winnebago County Sheriff before and after burning (920)236-7300 #0 to avoid false alarms.
