REVIEW YOUR VEHICLE REGISTRATION to Avoid the City Wheel Tax
As you are most likely aware, the City of Neenah has enacted a $30 annual wheel tax, an official vehicle registration fee, to fund street and sidewalk improvements. The fee will take effect starting in January 2026 with expected revenue of approximately $800,000 annually.

The wheel tax will be collected through the State of Wisconsin DMV at your annual registration renewal. As a Town of Neenah resident, it's important to register your vehicle correctly to avoid the city wheel tax. It's easy to do and if you haven't yet, we encourage you to check now to avoid unnecessary charges on your annual vehicle registration.

To double check your vehicle registration, go to the WisDOT site at https://wisconsindot.gov.

1) Once there, click on "DMV Services" and select "Online Services:"

2) On the Online Services page, click on "Other Online Services:"

Other Online services

3) Next, in the bullet list of topics, choose "Update where my vehicle is kept:"

- Purchase my vehicle record
- Purchase my driver record
- Purchase crash reports
- Sign up to manage my vehicle fle
- Update where my vehicle is kept

4) After completing the information to find your vehicle registrations, a list of vehicles will appear. Here's the important part; under "Municipality," make sure that **"Neenah (T)"** is selected:

Another easy way to check your information is to review your License Plate Renewal Notice and verify the information is correct; "Vehicle kept in COUNTY OF WINNEBAGO, TOWN OF NEENAH:

If you find an error on your renewal notice, or are incorrectly charged the wheel tax, report it immediately by contacting WisDOT's customer service at (608) 264-7447. They may be able to issue a refund and correct your record for future renewals. Please reach out to WisDOT for any questions regarding your vehicle registration.

Being proactive and checking your registration will help avoid any incorrect charges and save you time and $$$$.
