Attend this workshop so that you can **directly influence the grand vision** for what the Town of Neenah will look like as we plan for the year 2045:

- ✓ **What belongs in YOUR ideal community?**
- ✓ **What are the places and connections that shape YOUR everyday life?**
- ✓ **What (and where) is the heart of Town of Neenah, and what could it become?**
- ✓ **What is, or is not, working which could achieve these things?**

Give us your opinions and ideas on things that affect you, you neighbors, and the community as a whole:

- ✓ Community Character & Future Growth
- ✓ Attainable Housing
- ✓ Safe Transportation Routes
- ✓ Parks, Recreation, and Trails
- ✓ Natural Resource Protection
- ✓ Commercial/Industrial Development
